Student Success Grants

The NEA Foundation

Help public-school educators design projects that build academic understanding, problem-solving and meaningful learning experiences.

Funding and timing

Up to $5,000 per project

The June 15–September 15, 2026 application window has ended. Fluxx announces registration will reopen in December; the next application dates are not yet published.

Check your eligibility

• Lead applicant must be an eligible public-school educator or education support professional and an active NEA member.

• Current grantees cannot hold a concurrent Foundation award.

Check the purchase

Propose a complete instructional project; confirm whether the intended software expense fits the current guidance.

Confirm the specific Glow product, learner count, license period and purchasing method with the funder before buying. Category eligibility is not product approval.

Where and how to submit

Who receives the request

The NEA Foundation · Grants to Educators team

An eligible NEA member submits through Fluxx. The published application cycle has closed. Fluxx says registration will reopen in December; watch for the separate application dates.

Submission steps

1. Create a Fluxx account and choose “I am applying for the Grants to Educators” as the registration purpose. Enter workplace and NEA membership details.

2. Allow up to three business days for membership verification. After approval, open the Student Success application for the available cycle.

3. Adapt the draft to the application questions, enter your project budget and review the submission. Save the portal confirmation.

Documents and official sources

Documents to prepare

- Active NEA membership and workplace details
- Project goals, activities and evaluation plan
- Line-item budget in Word, Excel or PDF, including other cash or in-kind support
- Current application requirements

Official program sources

Program, membership requirements and timeline

Eligible public-school educators and support professionals with active NEA membership can request up to $5,000 for a 12-month learning project. Most funding must support student materials or experiences; electronics-only proposals are excluded. The posted September 15, 2026 deadline has passed. Watch for the next cycle and allow up to three business days for Fluxx registration approval.

Fluxx registration status

The public sign-in page says registration is closed and will reopen in December for the next Grants to Educators cycle. Application dates will be announced separately. Do not treat registration reopening as an application deadline.

Request an itemized Glow quote

Ask for the product, learner count, license start/end dates, any fees and renewal terms. Scholarship purchases may need individual-student pricing or an allocation of a shared subscription. A grant does not automatically fund renewals.
