Spark Good Local Grants

Walmart and Sam's Club

Local schools and organizations can propose a community reading or math project to a nearby Walmart, Sam's Club or distribution center.

Funding and timing

$250–$5,000 per grant

FY27 cycle 3 runs August 1–December 31, 2026. The public guidance does not specify a closing time or time zone; confirm both in the portal.

Check your eligibility

• Eligible public or nonprofit private K–12 school, charity or government entity, verified by Deed. Schools need an NCES number or qualifying nonprofit status.

• Request at least $250 for the complete project. Serve the same community as the selected facility. A household or individual teacher is not the applicant; use an authorized organization account.

Check the purchase

Propose a local education project and itemized resource budget. Ask the funder to confirm software and subscription costs; Glow is not listed as an approved product.

Confirm the specific Glow product, learner count, license period and purchasing method with the funder before buying. Category eligibility is not product approval.

Sources reviewed Oct 29, 2026. Confirm current rules before applying.

Funding application worksheet

Use this worksheet to prepare an accurate request. Complete private financial or student information only through the funder's secure application process.

1. Describe the learning

Grade range, number of learners, reading or math focus, and the skills you will teach:

2. Plan the practice

Teaching routine, session length, project dates and how you will support learners:

3. Review progress

Starting check, independent practice and a later check of taught skills:

4. Confirm the budget

Product, approved quote, learner allocation, license dates, fees and renewal coverage:

Where and how to submit

Who receives the request

Walmart / Sam's Club · the selected local facility's grant review team

The organization's authorized representative submits through Spark Good. Prepare the draft here, then review the portal's current requirements.

Submission steps

1. Open the organization account and complete Deed verification.

2. Select a facility serving the project's community. Confirm the current cycle and proposed subscription expense.

3. Transfer the edited project and budget into the application, review attachments and submit. Save the confirmation.

Documents and official sources

Documents to prepare

- Organization verification and authorized representative details
- Local project plan and community served
- Itemized budget with costs and license dates
- Glow quote and any school or organization approvals

Official program sources

Local grant eligibility, awards and cycles

Eligible, Deed-verified organizations apply through Spark Good. FY27 cycle 3 closes December 31. Up to 25 applications may be pending or approved; after an award, do not reapply to the same facility that fiscal year. Confirm the portal's cutoff and proposed software expense.

www.walmart.org

Organization account and application tools

An authorized representative uses the organization's Spark Good account to complete verification and access local grant applications. Prepare the project, budget and quote in Glow, then enter the required information in Walmart's portal. Glow does not submit the application.

www.walmart.com

Request an itemized Glow quote

Ask for the product, learner count, license start/end dates, any fees and renewal terms. Scholarship purchases may need individual-student pricing or an allocation of a shared subscription. A grant does not automatically fund renewals.

Before you submit

- Check the current deadline and all eligibility rules on the official site.
- Use accurate project details and obtain any school or organization approvals.
- Confirm software allowability and required purchasing channels before payment.
- Review the full application. The funder makes the award decision.
