West Virginia Hope Scholarship

West Virginia Hope Scholarship Program

An education savings account that can support eligible K–12 students through tuition, homeschool curriculum and other qualifying expenses.

Funding and timing

Varies by school year and participation period

2026–27 applications are open: September 16–November 30 applications receive 50% of the annual award; December 1–February 28, 2027 applications receive 25%. Confirm the portal cutoff time. Later applications receive no 2026–27 funding.

Check your eligibility

• West Virginia residency and the current student-participation rules apply.

• For 2026–27, the student must be eligible for West Virginia public K–12, under 21 and not have completed secondary education. Incoming kindergarten students must be five before July 1. An active Hope Notice of Intent is required for account funding.

Check the purchase

Homeschool curriculum and qualifying learning expenses use the Hope portal and approved vendors. Reimbursement is limited to policy exceptions; confirm the vendor and payment route before buying.

Confirm the specific Glow product, learner count, license period and purchasing method with the funder before buying. Category eligibility is not product approval.

Where and how to submit

Who receives the request

West Virginia Hope Scholarship · program administration

First apply for the student's scholarship account. After an award, use the administrator's purchase process for eligible learning resources. The Glow packet supports the purchase request; it does not replace the scholarship application.

Submission steps

1. Use the official account portal to complete eligibility, identity and enrollment questions. Upload private student documents only there.

2. Choose the new or current student process for 2026–27. Application timing determines the award percentage. Complete the Hope Notice of Intent and confirm it is active before expecting account funding.

3. Once awarded, ask the administrator to confirm the exact Glow product, license term and individual-student allocation before purchasing.

4. Use the approved payment or reimbursement process. Keep the approval, itemized invoice and required learning records.

2026–27 applications and funding schedule

Apply through the Hope account portal. The new-student schedule sets a 50% award for applications from September 16 through November 30, 2026, and 25% from December 1 through February 28, 2027. Funding depends on eligibility and an active Hope Notice of Intent. Use the linked application checklist before submitting.

Request an itemized Glow quote

Ask for the product, learner count, license start/end dates, any fees and renewal terms. Scholarship purchases may need individual-student pricing or an allocation of a shared subscription. A grant does not automatically fund renewals.
